

Boarding Agreement

If your pet shows signs of a medical problem while boarding we will ask a Doctor to examine and treat your pet. The fees will be added to your bill. Please provide a number to reach you or your agent as we would prefer to discuss the problem with you prior to treatment. If you wish to put limits to this care, in the event that we cannot reach you or your agent, please indicate those limits here.

Some animals become anxious and agitated during their confinement. Should your animal bark excessively or express aggression or similar behavior, our doctors will prescribe medications such as tranquilizers, pheromone sprays or mild sedatives; a citronella bark collar may also be used. Additional charges will apply for these treatments. These treatments will only be administered under the orders of a veterinarian and only if needed because of extreme agitation. **If you authorize these treatments, please sign here indicating your approval:**
